

Hire Machinery

www.loma.com

Loma-Cintex can meet your short-term and long-term hire requirements with our comprehensive range of machinery.

There are many reasons why you may need to hire a machine:

- Breakdowns.
- Audits.
- Seasonal demand and special projects.
- Product contamination.
- Machine trials.

Loma-Cintex offers:

- An extensive stock of metal-detectors, checkweighers, combination and X-ray machines, which are cleaned, tested and calibrated.
- Modifications to the hire machine may be possible to meet your individual requirements eg, supermarket specifications.
- Customer products can be tried and tested prior to hire to ensure that the machine meets your requirements.
- Machines can be swiftly commissioned to meet your urgent needs.
- Machines can be pre-booked, enabling customers to schedule budgeting demands.
- Customer support is provided by our network of 20 Service Engineers and Technical Support line.

Preferential rates for purchase are offered for machines that have been hired.
