

Loma Systems TERMS AND CONDITIONS OF SALE

For the purposes of these Terms and Conditions of Sale, the term "contract" shall mean the agreement between "Loma Systems a division of ITW Limited" ("Supplier") and Buyer arising as a result of Buyer's submission of an order for Supplier's products. Such contract shall be deemed to incorporate and be governed by these Terms and Conditions. THESE TERMS AND CONDITIONS SHALL TAKE PRECEDENCE OVER ANY TERMS AND CONDITIONS WHICH APPEAR IN BUYER'S ORDER OR IN ANY DOCUMENTS INCORPORATED BY REFERENCE IN BUYER'S ORDER. No term or condition of Buyer's order additional to or different from these Terms and Conditions shall become part of the contract unless explicitly agreed to in writing by Supplier. Retention by Buyer of any products delivered by Supplier, or payment by Buyer of any invoice rendered hereunder, shall be conclusively deemed acceptance of these Terms and Conditions. Supplier's failure to object to any provision contained in any communication from Buyer shall not be construed as a waiver of these Terms and Conditions nor as an acceptance of any such provision.

1. Quotations: Prices, specifications and dates for delivery referenced in Seller's quotations are for information purposes only and shall not be binding on Seller until all technical requirements have been agreed and Seller has accepted Buyer's order. Quotations terminate if not accepted by Buyer within 60 days.
2. Orders: By submitting an order to Supplier, Buyer agrees to be subject to these Terms and Conditions of Sale in their entirety. All orders must be bona fide commitments showing definite prices and quantities and mutually agreed shipping dates. No order, whether or not submitted in response to a quotation by Supplier, shall be binding upon Supplier until accepted in writing by Supplier.
3. Prices and Taxes: Prices do not include taxes, including without limitation sales, use or excise taxes, applicable to the products sold in this transaction, which taxes may, in Supplier's discretion, be added by Supplier to the sales price or billed separately and which taxes shall be paid by Buyer unless Buyer provides Supplier with any necessary tax exemption certificate.
4. Shipment and Delivery: Delivery will be deemed to have been effected when the products leave the premises of Supplier or as the case may be the premises of suppliers to Supplier in circumstances where the products are delivered direct from such suppliers. Time of delivery is not of the essence. Supplier shall not be liable for any loss whatsoever or howsoever arising caused by non-delivery. Supplier reserves the right to make delivery by instalments and to tender a separate invoice in respect of each instalment. When delivery is to be by instalments or Supplier exercises its right to deliver by instalments or if there be delay in the delivery of any one or more instalments for whatever reason this will not entitle the Buyer to treat the contract as repudiated or to damages.
5. Risk and the Passing of Property:
 - 5.1 Risk in the products shall pass to Buyer when the products are delivered to, or collected by, Buyer or its agent. Buyer must provide its own insurance. Any claims for loss, damage or misdelivery shall be filed with the carrier. All products shall be deemed finally inspected and accepted within ten days after delivery unless notice of rejection is given in writing to Supplier within such period. Acceptance shall constitute acknowledgement of full performance by Supplier of all obligations under the contract except as stated in Section 10 (Limitation of Warranties).
 - 5.2 Notwithstanding risk in the products passing in accordance with clause 5.1 hereof title in the products shall not pass to Buyer until payment is received by Supplier for the products and no other amounts remain outstanding from Buyer to Supplier in respect of other products supplied by Supplier.
 - 5.3 Until title to the products passes:-
 - (a) Buyer will hold the products as fiduciary agent and bailee for Supplier;
 - (b) the products shall be kept separate and distinct from all other property of Buyer and of third parties and in good and substantial repair and condition and be stored in such a way as to be clearly identifiable as belonging to Supplier. Buyer shall ensure that the products are not subject to any mortgage, charge, lien or any other security interest of any kind however created or arising.
 - 5.4 Supplier shall at any time be entitled to appropriate any payment made by Buyer in respect of any products in settlement of such invoices or accounts in respect of such products as Supplier may in its absolute discretion think fit notwithstanding any purported appropriation by Buyer.
 - 5.5 Until such times as the title in the products has passed to Buyer Supplier has the right to withhold delivery if Buyer (being a Company) has a petition presented for its winding-up or passes a resolution for voluntary winding-up otherwise than for the purposes of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or (being an individual) becomes bankrupt or insolvent or enters into any arrangements with creditors or takes or suffers any similar action in consequence of debts or carries out or undergoes any analogous act or proceedings under foreign law.
 - 5.6 For the avoidance of doubt it is hereby declared that nothing in this clause shall affect the rights given to Supplier by sections 38-48 of the Sale of Goods Act 1979.
6. Terms of Payment: Each shipment shall be a separate transaction and Buyer will be invoiced on date of dispatch. Unless otherwise stated on Supplier's invoice, terms of payment shall be net thirty (30) days from date of invoice. Supplier may, in its sole discretion, determine at any time that Buyer's financial condition requires payment in advance or other assurance of payment satisfactory to Supplier and, if such requirement is not met, may cancel the order or any part thereof and receive reasonable cancellation fees. If Buyer fails to pay any payment due hereunder when due, Supplier may recover, in addition to the payment, interest thereon at the rate of 1 1/2% per month where lawful, otherwise the maximum lawful monthly interest rate, and reasonable legal fees.
7. Contingencies: Supplier shall not be liable for any delay in delivery or for non-delivery, in whole or in part, caused by the occurrence of any contingency beyond the control of Supplier, including, by way of illustration but not limitation, war (whether an actual declaration thereof is made or not), sabotage, insurrection, riot or other act of civil disobedience, act of a public enemy, failure or delay in transportation, act of any government or any agency or subdivision thereof, judicial action, labour dispute, accident, fire, explosion, floods, storm or other act of God, shortage of labour, fuel, raw material or machinery or technical failure where Supplier has exercised

8.1 Supplier may modify specifications provided the modifications do not adversely affect the performance of the equipment to be supplied under the contract ("the equipment"). In addition, Supplier may furnish suitable substitutes for materials unobtainable because of priorities or regulations established by government authority, or non-availability of materials from suppliers.

8.2 This equipment is not considered to be a finished product as defined in Article 2.1 of the WEEE Directive in that in forms part of a fixed installation. Consequently it is the responsibility of the user of this equipment to ensure the safe disposal of this product at the end of its life.

8.3 The performance of this equipment is subject to conditions e.g. environmental, type of product and packaging.

Supplier grants Buyer a non-exclusive and non-transferable licence to use such software solely for use with the equipment. Buyer shall take all reasonable steps to protect Supplier's proprietary interest in the software and shall not transfer or otherwise provide or sub-licence the software to any third party.

10. Limitation of Warranties:

A. Supplier warrants that all equipment shall be free from defects in material and workmanship under normal use for a period of one year from date of shipment to Buyer save that Supplier does not warrant that operation of the software will be completely uninterrupted or error free or that all program errors will be corrected. Buyer shall be responsible for determining that the equipment is suitable for Buyer's use and that such use complies with any applicable law. Provided that Buyer notifies Supplier in writing of any claimed defect in the equipment immediately upon discovery and any such equipment is returned at Buyer's risk to the original shipping point, transportation charges prepaid, within one year from date of shipment to Buyer and upon examination Supplier determines to its satisfaction that such equipment is defective in material or workmanship, i.e. contains a defect arising out of the manufacture of the equipment and not a defect caused by other circumstances, including, but not limited to accident, misuse, unforeseeable use, neglect, alteration, improper installation, improper adjustment, improper repair, or improper testing, Supplier shall at its option repair or replace the equipment, shipment to Buyer prepaid. Supplier shall have reasonable time to make such repairs or to replace such equipment. Any repair or replacement of equipment shall not extend the period of warranty. This warranty is limited to a period of one year, without regard to whether any claimed defects were discoverable or latent on the date of shipment.

B. If Buyer shall fail to pay when due any portion of the purchase price or any other payment required from Buyer to Supplier under this contract or otherwise, all warranties and remedies granted under this Section 10 may, at Supplier's option, be terminated.

If any such equipment is held in construction or design directly to infringe any European, United Kingdom or United States patent and the use of said equipment is enjoined, or in case any equipment may, in the opinion of Supplier, be held to infringe, Supplier may, at its expense and option, either (a) procure for Buyer the right to continue using said equipment, (b) replace said equipment with a suitable noninfringing product, (c) suitably modify said equipment, or (d) refund the purchase price of said equipment, less depreciation at twenty percent (20%) per year, and accept its return. Supplier shall not be liable for any cost or expense incurred without Supplier's written authorisation. Supplier shall not be obligated to defend or be liable for costs and damages if the infringement arises out of compliance with Buyer's specification or from a combination with or an addition to equipment not manufactured or developed by Supplier or a modification of the equipment after delivery or the use of equipment beyond that established by Supplier or approved in writing by Supplier.
